

# 2100 Elite Eggshell

(formerly Satinwall)  
Interior Eggshell Paint

## Product Description

Elite Eggshell is a unique eggshell latex enamel appropriate for any interior wall or trim in your home. It dries to a pleasing low luster finish that is easy to wash, and is tough enough to withstand repeated cleaning and scrubbing. Elite Eggshell may also be used on exterior surfaces with excellent, long lasting results. Elite Eggshell is available in a wide array of colors from off whites to mid tones. Durability, washability and an easy water clean-up make Elite Eggshell a premium choice.

## Performance Features

- Low luster finish
- For drywall and trim
- Scrubbable

Sizes:	Quart, Gallon, 5 Gallon
VOC	<.74 lbs/gal and <88.13 grams/liter
Cleanup:	Water
Solids by weight:	50.0%
Solids by volume:	34.67%

## Surface Preparation

### General

Elite Eggshell can be used effectively on drywall, wood or metal. Surfaces to be painted must be clean, sound, and properly sealed.

Unpainted surfaces: Drywall must be sealed with a good acrylic wall sealer. Bare wood substrates must be properly filled, primed, sanded, and dusted.

Repaint work: All surfaces to be painted must be clean and free of all dirt, dust, loose or flaking paint, grease, or any other foreign matter.

### Application

Elite Eggshell may be applied with a brush, roller, or airless spray equipment. Clean equipment with water immediately after use.

### Thinning

Elite Eggshell is designed to be applied at full consistency; however, small amounts of clean tap water may be used to thin to the desired working consistency.

## CAUTIONS

Do not apply when temperature is below 50 degrees F. Do not apply to any exterior surface when rain is expected within 24 hours. Keep from freezing. Keep all unused material in tightly closed containers. Keep away from children. Do not take internally.

WARNING: If you scrape, sand, or remove old paint, you may release lead dust. LEAD IS TOXIC. EXPOSURE TO LEAD DUST CAN CAUSE SERIOUS ILLNESS, SUCH AS BRAIN DAMAGE, ESPECIALLY IN CHILDREN. PREGNANT WOMEN SHOULD ALSO AVOID EXPOSURE. Wear a NIOSH-approved respirator to control lead exposure. Clean up carefully with a HEPA vacuum and a wet mop. Before you start, find out how to protect yourself and your family by contacting the National Lead Information Hotline at 1-800-424-LEAD or log on to [www.epa.gov/lead](http://www.epa.gov/lead).
